

The Digital Bookmobile joins the 6th Annual International Book Fair!

Learn how to download free eBooks, audiobooks, music and video when the Dallas Public Library hosts the Digital Bookmobile during the 6th Annual International Book Fair at the J. Erik Jonsson Central Library downtown Dallas.

According to The Digital Bookmobile's website, DigitalBookMobile.com, the Bookmobile is a 74-foot, 18-wheel tractor-trailer which tours the country to promote public libraries' digital download services. The high-tech update of the traditional bookmobile offers an engaging experience with the host library's digital download service, said a press release from OverDrive, which operates Digital Bookmobile and powers download websites at more than 15,000 libraries worldwide.

If you own an *iPhone, an Android, a tablet or any other similar gadget, this is the time for you to explore digital download possibilities.* The Digital Bookmobile holds a gadget gallery featuring various technology demonstrations that will help visitors discover portable devices that are compatible with the digital download service.

The Digital Bookmobile will visit the J. Erik Jonsson Central Library 1515 Young Street Dallas, Texas 75201, as a part of the 6th Annual International Book Fair, Saturday October 29, 2011 from 10:00 a.m. to 5:00 p.m.

Admission to the Bookmobile is free and it will offer interactive demonstrations to readers of all ages, showing how to use the digital download service from your local library. The download service is available 24/7 on the library's website. From there, you can browse and download digital titles, transfer them between your mobile devices and enjoy. At the end of the lending period, the titles will automatically expire without any late fees. Anyone with a library card can find a digital library by visiting Digital Bookmobiles' website, DigitalBookMobile.com, and typing in a local zip code.
